The congregation of the 2d Presbyterian Church in this place, as a means of testifying their appreciation of the faithful and efficient labors of their worthy pastor, Rev. O. H. Newton, have given him leave of absence and furnished the necessary means to enable him to enjoy some weeks of recreation on the Lake shore, where he now is, accompanied by his family.

The fall and winter term of those popular institutions—the Ohio Wesleyan University, and the Ohio Wesleyan Female College—commenced yesterday; and the consequent influx of a large number of young ladies and gentlemen has again restored to our thoroughfares that active and attractive feature so strikingly missed during the long summer vacation.

PHYSICIANS.—Messrs. Stouffer having last week drawn the water from their mill pond for the purpose of repairing the dam, the disciples of Isaac Walton enjoyed a rare treat in seeing—their labors being rewarded by the capture of a large quantity of fine fish, including some bass and red-horse of formidable proportions.

DELAWARE STRING BAND.—We wish to make our acknowledgements to the gentlemen composing this Band for their visit and serenade on Tuesday night last. Their selection comprised some six or eight popular pieces, which were admirably performed, and the excellent music was duly appreciated by the entire household.

Removal.—Mr. P. RANDALL has removed his Boot and Shoe Store to the room next north of R. B. Burr's Jewelry Store, recently occupied by Metcalfe, Sessions & Co.—where he will at all times keep on hand a complete assortment of goods in his line, of the best quality, and will also manufacture to order as heretofore.

The services in connexion with the dedication of the 1st Baptist Church in this place on Saturday and Sunday last, were highly interesting, and enjoyed by very large audiences. Rev. D. E. Thomas, one of the clergymen in attendance on the occasion, is ranked as a gentleman of high oratorical powers by all who heard him.

The celebration of the anniversary of British West India Emancipation, by the colored people of this county, Monday last, passed off to the satisfaction of all interested. We have not a large colored population in our midst, and consequently the attendance was not very numerous.

The exhibition of "Bullard's Mirror of New York City" will be borne in mind comes off this evening and to-morrow afternoon and night, at Templar Hall. For particulars see programme. Tickets can be procured at the American House to-day.

## OCTOBER ELECTION.
